## OUR HISTORY

Our company started food production as Öz Gözde Gıda Tekstil San. Tic. Ltd. Şti. in 1995.

In the early years of establishment, we started production with tahini and tahini halva, and later expanded our range to include sesame for sesame rings, Turkish delight, jam, and hazelnut chocolate spread.

## OUR QUALITY POLICY

To provide a delicious and high-quality service in compliance with laws and relevant regulations. To ensure customer satisfaction. To combine the taste of the past with the technology of the future. To be the first and leading choice of our customers in our industry. To keep personnel motivation and training at the highest level. To be committed to corporate culture. To offer our customers the sweetest and most reliable service according to their taste buds.

Öz Gözde Gıda Tekstil San. Tic. Ltd. Şti. is moving confidently towards a better and brighter future with you.

## OUR MISSION

Our mission is to become a preferred company that ensures the satisfaction of our employees and customers by providing high-quality, healthy, and reliable services. We strive to continuously follow technological advancements and innovations to meet the evolving needs and preferences of our stakeholders.

## OUR VISION

Our vision is to be a preferred company in our industry by meeting the needs of our customers according to their taste preferences, providing high-quality and reliable services. Equipped with our expert team and modern technology, we aim to deliver excellence and become the go-to choice for our customers.

## TYPES OF HELVA

Halva is composed of highly nutritious ingredients. Our own production of pistachio halva, made with tahini, is an indispensable delicacy for breakfast. It is freshly made on a daily basis using locally sourced sesame seeds. It does not contain glucose or artificial additives.
